Teaching Points to Know:
-Sharps in the Key Signature: Every C, F, and G note is sharped in this piece. Tablature takes care of this for you.
-Rests: Take time to learn the shapes of the rests so you'll know what those squigglies mean down the road.
-Pickup Notes: That's the note all by itself in measure 0. It gets the song started before the first beat.
Time Signature: We are in 6/8 time and usually counted as 1-trip-let 2-trip-let, or more often simply as 1.. 2..
-Repeats: This piece is supposed to be played 10 times. That seems crazy, so decide in advance to skip a few verses.
-Chord: The A chord will be your friend in so many songs. Memorize it. Review E and G as well.
