Drag Your Guitar Out of the Basement
Let's make a community guitar ensemble.

Albuquerque-Santa Fe!

We need 25 brave acoustic guitarists to help us build a great community orchestra unlike most you've seen or heard before. If you're willing to practice a little bit at home and can attend regular rehearsals either in-person or online, we have a wonderful opportunity for you. We'll be performing a wide-ranging and fun repertoire, and we'd like for you to play it with us. We have an open-door policy (so no auditions required) and we'll teach you what you need to know. Let's get started today so you're ready to "rawk."
