Lessons: Another opportunity to practice A to E7. Pickup count. Sixteenth notes and swing music. Waltz time. Adding decorative notes after half notes in measures 4, 8, 12 and 16. Vibrato in 18.

Composer's Corner: This is an example of a narrator ending up being a bit of a creep. Rewrite the lyrics and turn him into the hero. Let's say he jumped in and saved poor Clementine. Then what?
